

Thirtieth Annual Baywood Park 2nd Street Faire and
Car Show*
2008 OKTOBERFEST COMMITTEE

May 24, 2008

Dear Oktoberfest Vendors,

Our 2008 Oktoberfest, Annual Los Osos / Baywood Park 2nd Street Faire and Car Show, is **October 26, 2008**. The spaces are 15 feet wide and 15 feet deep for 2008. Checks or Money Orders should be made out to LO/BP Oktoberfest and sent with your application.

Please notice mailing address: LO/BP Oktoberfest, PO Box 7052, Los Osos, CA 93412-7052.

The KZOZ (93.3 FM) Radio Station, a Central Coast station, will be providing exclusive radio coverage of the event and will be broadcasting live that day. Therefore, the 2008 Oktoberfest will be extensively advertised prior to and during the event!

Applications will be processed as they are received; your booth space will be assigned and acknowledgment sent beginning July 1, 2008. After that, they will be mailed at the close of each week. Spaces will be assigned on first application received, first served basis. However, if you have a space you have been assigned in the past years, note that on your application, it will be honored if still available. If the space has already been assigned, we will assign your space as close as we can to your requested space. Please note discount available for payment prior to August 31, 2008.

Vendors please note: The Committee cannot provide power; you must bring your own portable power. Any questions call Boyd Lowe at 805-528-2735.

All Vendors note: you are not to sell the “silly string” sold in pressurized cans, nor “poppers”. It is too dangerous for our elderly visitors, when the children start chasing other children with them. The children get excited and do not see the older adults. You will be asked to shut down for the rest of the day, if you ignore our request.

If you bring animals with you on your trips, they are to be kept off the street and on a leash, by San Luis Obispo County Ordinance.

Expecting the biggest and best Oktoberfest, our 30th.

Boyd R. Lowe, Chair of Vendor Procurement for the 2008 Oktoberfest Committee
